Capability Statement

ICUBE ICube Consultancy Services Inc is a data analytics and AI company that has been providing software services to clients for the past 10 years. Our team of experts and industry practitioners consists of 60+ data engineers and scientists working alongside our clients to design and implement end-to-end data solutions fast. Professionalism, timely service, and competitive pricing are a few reasons we have become one of Florida's most trusted digital service companies.

For more information about our services and for federal contracting capabilities, please reach out at your convenience.
